

## Discover beautiful gifts at Leamington Spa Art Gallery & Museum

Leamington Spa Art Gallery & Museum's craft showcase features a selection of contemporary craft items at affordable prices. This spring a new range of beautiful handmade items from three up and coming designers will be displayed.

Textile artist, Nikki Lewis has created a range of stunning bags, purses and hair accessories from vintage, reclaimed and found materials. Handmade beaded and silver jewellery lovingly designed by Jo Sinclair (*Jo Jo Jewellery*) is also featured as well as individual hand decorated notebooks by Kam Panesar.

Head Gallery Assistant, Roz Crampton said, 'I am so excited to be stocking work by such talented designer makers. These items are made to be treasured; they would make the ideal gift for Valentine's Day, or a special treat to brighten up the winter months!'

The gallery shop also offers a selection of greetings cards, postcards and other gift items. For further information please call Leamington Spa Art Gallery & Museum on 01926 742700 or visit [www.warwickdc.gov.uk/royalpumprooms](http://www.warwickdc.gov.uk/royalpumprooms)
