

Compost Crazy!

Hi, I'm George. I love it out in the garden. Yummy strawberries, lovely roses and loads of animals too! But you know what? It all starts with compost ...

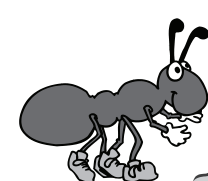

I'm George.
I eat strawberries!
Yum!

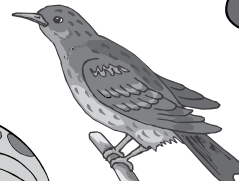

I'm a strawberry.
I feed on compost.
Yum!

I'm a slug.
I eat strawberries.
Slurrrp!

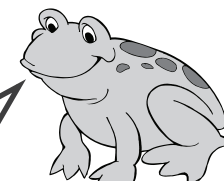

I'm an ant. I suck
the juice from
greenfly. Slurrrp!

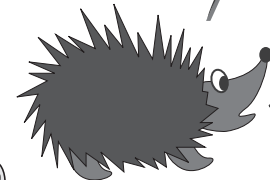

I'm a blackbird.
I eat slugs and
worms. Drool!

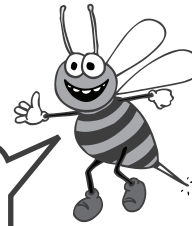

I'm a rose.
I feed on compost.
Yum!

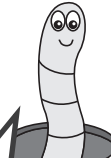

I'm a frog. I eat
worms and slugs.
Munch, munch!

I'm a hedgehog.
I eat slugs, ants,
worms and frogs!
Burrrp!

I'm a bee. I suck
sweet nectar from
roses! Sip!

I'm a worm.
I eat compost!
Yum!

I'm a greenfly.
I suck the juice
from roses. Slurrrp!

And I'm compost.
I'm dark and earthy and
made of rotten stuff like
old banana skins, egg
shells, potato peel and
teabags. Cool, huh?
