# Sport Club's Directory

Culture in Warwick District

Welcome to our new and improved Sports Club Directory. We hope it helps you find the sport you are looking for and helps you on your way to getting active. The guide will be updated each month and can be downloaded from our publication portal at [www.warwickdc.gov.uk/leisure](http://www.warwickdc.gov.uk/leisure)

Warwick District Council offers many opportunities for residents and visitors to take part in sport. In addition to our wide range of sports facilities we have a vibrant local sports network.

Please note this is not an exclusive list of clubs. Please let us know if you are responsible for a club or organisation that does not appear in this directory and contact us to be included please email: [hotlinesports@warwickdc.gov.uk](mailto:hotlinesports@warwickdc.gov.uk) or call: **01926 456221 / 456222**

The clubs listed are those which have given Warwick District Council authorisation to promote the club. None of the clubs listed are run by Warwick District Council so we advise you check the suitability / accreditation / validation of the club for your requirements. The information is based on the information provided.

Where it states a club is Club Mark accredited this means that the club has attained accreditation from its National Governing Body.

Please note Sports & Social Clubs are listed at the end of the table.

If you require any further information please contact Warwick District Council Sports Development Team on **01926 456221 / 456222**.
