

## Crèche Facilities

### St Nicholas Park Leisure Centre, Warwick

All staff who operate the Crèche are experienced in the care of babies and young children. Some of the staff have formal child care qualifications and there will always be at least one qualified member of staff in the Crèche at all times.

The Crèche is a subsidised service and we make every effort to keep the charges as low as possible but price increases are sometimes unavoidable. Please contact the relevant site for current prices.

St Nicholas Park Leisure Centre operates a Health Account which allows Crèche users discounted rates when your child is using the Crèche. Please call the centre for further details 01926 495353.

Times of Crèche and swimming sessions change during School Holidays. Look for posters at the Centre for details.
