

T-Mobile Annual Roll Out Spreadsheet 2008 - 2009

T-Mobile and Hutchison 3G UK Limited (H3G), who operate the Three network, have reached agreement to merge their network infrastructure. The consolidated network will be managed and maintained by a joint venture company, Mobile Broadband Network Limited (MBNL). The consolidation of existing infrastructure will allow both H3G and T-Mobile to significantly reduce, over the next three years, the number of individual sites held in the UK. As a result of this network consolidation the number of new network sites for H3G and T-Mobile will be significantly limited in 2008/2009. Should you have any question in the interim please do not hesitate to contact: John Carwardine, Community Affairs Manager - john.carwardine@t-mobile.co.uk
