

Family Fun at Leamington Spa Art Gallery & Museum

Leamington Spa Art Gallery & Museum offers lots of free events and activities for families who want to escape the winter blues. The Art Gallery & Museum's events are a great chance for kids to try some fun creative activities. Families can pop in anytime to explore the mobile Art Cart as well as fun interactive exhibits, dressing up and activity sheets in Haddie's Gallery.

The Art Gallery & Museum's regular *Art Cart Family Fun* sessions take place on the last Saturday of each month from 1 – 3pm. These are informal, friendly events where families can enjoy fun creative activities in the galleries. All materials are provided along with a step by step guide to the activity. The sessions can be enjoyed by children of all ages and there is a different activity to try every month. The next *Art Cart Family Fun* event takes place on Saturday 30 January.

On Thursday 18 February, 2 – 4pm families can attend the popular *Half Term Art Club*. Designed for children aged from 6 – 12 years, art clubs run on a drop in basis with each session lasting approximately 30 minutes. Final entry is at 3.30pm. This February children can decorate their own ceramic tile with colours and patterns inspired by the Art Gallery & Museum's current exhibition, *water-shed: New work by Edmund de Waal*.

There is no need to book for either event and admission is free. Children must be accompanied by an adult at all events. For more information including opening times visit www.warwickdc.gov.uk/royalpumprooms or call 01926 742700.
