

Ordnance Survey Extract Request Form

Site Plans for Planning and Building Control Applications

Warwick District Council, Planning Department, PO Box 2178,
Riverside House, Milverton Hill, Leamington Spa, CV32 5QH

Due to copyright restrictions, we can only supply location plans for the purpose of making a Planning or Building Regulation application for a site within the boundary of Warwick District, regardless of whether or not they hold an O.S. licence. The O.S. maps remain the copyright of the Ordnance Survey, but the Council has a licence which allows the printing of sets of O.S.Extracts.

Due to the copyright laws, you are not legally permitted to take any further copies yourself.

Map extracts are supplied in black and white on A4 paper at 1:1250 or 1:2500 scale. If other scale plans are required they have to be purchased directly from Ordnance Survey.
