The Code has the following objectives:

- To deliver Value for Money
- To ensure the highest standards of probity
- To ensure that the Council complies with all legal requirements.
- To protect against any allegation of acting unfairly or unlawfully
- To ensure that risks are managed
- To ensure openness, fairness and transparency.
- To support the Council's corporate aims, objectives and policies

SECTION ONE

1. Scope & Purpose

This Code aims to promote good procurement practice, public accountability, deter corruption and provide protection against allegations of impropriety.

This Code applies to;

- 1.1 All procurement undertaken by, or on behalf of the Council including where the Council is acting on behalf of other bodies. A relevant procurement for the purposes of this Code is any arrangement made by, or on behalf of, the Council for the carrying out of works, the supply of goods or services, the disposal of assets or the selling of Council services to other organisations. This includes contracts let as a 'Concession'
- 1.2 All procurements undertaken by, or on behalf of the Council irrespective of the method of funding e.g. capital, revenue, sponsorship, donations or grants from a third party unless excluded under Section 1, paragraph 2
- 1.3 All Officers of the Council including any temporary employees, agents and/or consultants etc. undertaking procurement on the Council's behalf.
- 1.4 All Members of the Council

2. Exclusions from this Code

The following contracts are excluded from this Code

- 2.1 Contracts of employment which make an individual a direct employee of the Council;
- 2.2 Agreements for the leasing or acquisition of buildings or land
- 2.3 Agreements for the disposal or transfer of land unless the Council exerts significant influence over what the land is used for;
- 2.4 Loans to banks or other financial institutions and investments made in accordance with the Council's Code of Financial Practice.

3. Non Compliance with this Code

- 3.1 Any case of non-compliance with this Code must be reported immediately to the Head of Finance. Where the non-compliance results in identifiable additional cost to the Council or where the non-compliance places the Council under an identifiable increase in risk exposure or generally where the Head of Finance considers the non-compliance to be significant, a report will be submitted to the next available meeting of the Cabinet.
- 3.2 Failure to comply with this Code may result in disciplinary action.

4. Guiding Principles

- 4.1 All contracts must be let through a competitive process which meets the requirements of this Code unless an exemption has been granted or the arrangement is otherwise permitted by this Code

The following are excluded from the requirement for competition

- i. Purchases made via a purchasing consortium (e.g. CCS, ESPO, YPO) catalogue or framework agreement (subject to the competition requirements associated with each individual framework agreement) accessible to the Council, however purchases above the UK Threshold will only be excluded if the purchasing consortium has let their contract in accordance with UK Procedures (where applicable) on behalf of the Council.
- ii. Contracts entered into through joint working with other public bodies, where a competitive process has been followed that complies with the equivalent Code of Procurement Practice of the lead organisation provided the collaboration has let their contract in accordance with UK Procedures (where applicable) on behalf of the Council.
- iii. Collaborative proposals for joint working or shared services with other public bodies. Where the aggregate contract value of the joint working or shared services arrangement is expected to exceed the relevant UK threshold, the following conditions must be satisfied: -

- i. The principal activity of the collaborative arrangement is the provision of services back to the participating bodies
 - ii. The collaborating public bodies when acting together exercise the same kind of control over the service as they would over an in- house service and
 - iii. There is no independent or private sector partner involved in the collaborative arrangement
- 4.2 Adequate staff resources should be identified to manage the procurement and any subsequent contracts awarded
- 4.3 Any contract which exceeds the relevant threshold set by the UK Government must comply with any legal requirements in the Public Contract Regulations or any replacement Regulations approved by the UK Government
- 4.4 Procurement should be undertaken using electronic procurement systems unless otherwise agreed by the Head of Finance. Only approved electronic procurement systems should be used and advice should be sought from the Head of Finance on their use. The use of electronic procurement systems does not negate the requirement to comply with all other elements of this Code.
- 4.5 Comprehensive and robust records of all stages of the procurement must be maintained which support the decision to award a contract.
- 4.6 Contracts will be awarded based on the most economically advantageous offer to the Council (MEAT). In appropriate circumstances the lowest price (for purchases) or the highest price (for disposals) alone may be considered the most economically advantageous solution for the Council. Where it is considered that lowest price (for purchases) is in the best interests of the Council, advice should be sought from the Head of Finance prior to quotation/tender documents being issued
- 4.7 All procurement must be appropriately authorised in accordance with the Council's Scheme of Delegation before a procurement process commences or a contract is awarded
- 4.8 Sufficient budget must be available to cover the initial procurement (including any associated costs such as professional support) and to cover the expected life of the contract.

- 4.9 All contracts must include appropriate terms and conditions that are acceptable to the Council.
- 4.10 All Contracts, irrespective of value, shall clearly specify:
- What is to be supplied i.e. the specification
 - The price to be paid and when
 - Appropriate information/indicators to enable effective management of contract performance
 - Appropriate provision for contract termination

The Council has 5 different levels of contract as detailed in the table below. Section 2 sets out in more detail the requirements when dealing with a specific procurement. Further guidance is available via the Intranet.

5	> UK threshold for Goods and Services

1. Steps Prior to Purchase

1.1 Before commencing any procurement, Officers must

- Assess the need for the expenditure
- Define the objectives of the procurement
- Calculate the estimated Total Value of the contract
- Ensure that appropriate approval is in place to commence any procurement process
- Ensure there is sufficient budget available which covers the whole-life financial commitment being made (including any consultant's or other external charges or fees);
- Ensure the Council's requirements for IT system security and data security (GDPR) are satisfied where appropriate
- Ensure any necessary legal, procurement, finance, HR, ICT, risk management, technical support etc. is identified and engaged;
- Ensure resources with the necessary skills and capacity to manage the contract once it has been let;

1.2 For all contracts above the applicable UK threshold for Goods and Services (this includes any projects for 'Works' or projects covered by the 'Light Touch Regime') Officers must in addition to Section 2 point 1.1: -

- Comply with any legal requirements in the Public Contract Regulations or any replacement Regulations approved by the UK Government
- Comply with the Council's Procurement Gateway Procedure
- Consider any contract management information and lessons learned from the previous contract where this exists
- Consult with stakeholders, users and the supply market (in accordance with Section 2 point 5 of this Code) where appropriate
- When procuring 'Services' consider whether and how through the procurement, improvements to the economic, social and environmental wellbeing of the area might be achieved and how the procurement can address the declared climate emergency (Social Value)
- Carry out an options appraisal to decide the best way to achieve the Council's objectives, including internal or external sourcing, partnering, collaborative procurement with another public body, recycling, reuse etc.
- Produce a business case and have this approved by a member of the Senior Management Team
- Assess the potential risks and how to manage them
- Submit a fully completed PID for approval by the Head of Finance

- Be evidenced in writing;
- Refer to a contract reference number and/or contain a purchase order number
- Include appropriate Terms and Conditions
- Support the Councils wider priorities and policy objectives

- Include a requirement for the supplier to comply with all relevant statutory requirements

2 Declaration of Interest / Conflict of Interest

- 2.1 Officers and Members must declare any potential conflict of interest when requested to do so by the Head of Finance. This may take the form of an annual declaration and/or a project by project declaration. Failure to declare any potential conflict of interest will be taken seriously by the Council and in relation to Officers may lead to disciplinary proceedings and possible dismissal.
- 2.2 Any Officer or Member who has a direct or indirect interest in any procurement or proposed contract shall declare their interest in writing to the Head of Finance together with a recommendation about whether they consider they should or should not remain involved in the procurement or proposed contract.
- 2.3 The Head of Finance, having due regard to any recommendation in 2.2 and in relation to Officers, ensuring the availability of sufficiently skilled staff to undertake the evaluation of bids will confirm whether the reported interest is considered sufficient to exclude the individual from being involved in the procurement process or the awarding of any contract.

3 Contract Value

- 3.1 The procurement procedure will usually be determined by the estimated aggregate value of the contract. The aggregate value of the contract is calculated as follows
 - Initial term of the contract plus any extension periods X estimated annual contract value or
 - For one off requirements the available agreed budget
 - For concession contracts the estimated value of the turnover of the concessionaire generated over the duration of the contract
- 3.2 Contract values must not be distorted or disaggregated in order to avoid the requirements of this Code or alter the procurement process.

- 3.3 Where the estimated aggregate value of the contract exceeds the relevant UK threshold, an UK compliant procurement process should be undertaken

4 Use of Existing Council Contracts

- 4.1 Before commencing a procurement process and/or seeking to let a new contract, Officers must check whether the Council already has a suitable contract in place which could satisfy the requirement. Where a suitable contract exists, that contract must be used unless agreed otherwise by the Head of Finance

5. Pre-Tender Market Engagement and Consultation

- 5.1 Officers may consult potential suppliers prior to the issue of an Invitation to Quote/Tender about the nature, level and standard of the supply, contract packaging and other relevant matters. Records must be kept of this consultation.
- 5.2 Officers must not, once any consultation period under 5.1 has ended seek or accept technical advice on the preparation of the actual Invitation to Quote/Tender from anyone who may have a commercial interest in bidding for the contract as this may prejudice the equal treatment of all potential bidders and distort competition.

6. Framework Agreements

- 6.1 Contracts based on framework agreements may be awarded by either
- 6.1.1 Applying the terms laid down in the framework agreement (where such terms are sufficiently precise to cover the particular call-off) without reopening competition; or
- 6.1.2 Where the terms laid down in the framework agreement require the re-opening of competition or the terms laid down in the framework agreement are not precise enough, by holding a mini competition in accordance with the following procedure:
- Inviting all organisations within the framework agreement who are capable of delivering the contract to submit written quotations/tenders;

- Fixing a time limit which is sufficiently long to allow tenders for each specific contract to be submitted, taking into account factors such as the complexity of the subject of the contract

7. Use of Existing Framework Agreements

- 7.1 Before undertaking a procurement process, Officers shall consider whether there is an existing pre-tendered framework agreement available. This may be a framework agreement let by another public body or by a purchasing consortium (e.g. CCS, ESPO, YPO). It may be necessary to examine a number of framework agreements to identify the best value solution for the Council
- 7.2 Existing framework agreements may be used where these have been established by an appropriate contracting authority and the Council can legitimately and legally access them
- 7.3 Where the use of an existing framework agreement is identified as the appropriate procurement route, the Officer will, in conjunction with the Procurement Service, agree the appropriate procedure for accessing the framework agreement
- 7.4 When using an existing framework agreement, Officers must not invite additional suppliers to bid which are not included on the Framework agreement
- 7.5 The use of an existing framework agreement does not remove the requirement to comply with all other elements of this Code

8. Creating Council Framework Agreements

- 8.1 Officers may establish framework agreements for goods, works or services. For any contracts where the aggregate contract value is likely to exceed the relevant UK threshold, the framework agreement must be established in accordance with the requirements of the Public Contracts Regulations. Where Services are considering establishing a framework agreement, they must seek advice from the Procurement Service, before commencing the procurement process
- 8.2 The duration of a framework agreement shall not exceed 4 years except in exceptional circumstances.

- 8.3 Where Services are considering establishing a framework agreement for longer than 4 years in duration, the Officer must seek advice from the Procurement Service and receive written agreement from the Head of Finance before commencing the procurement process

9. Awarding Contracts based on Framework Agreements

- 9.1 Contracts should be awarded to the bidder submitting the best quotation/tender on the basis of the award criteria set out in the framework agreement
- 9.2 Where the contract value exceeds £5,000 Officers should include details on the master 'Contract Register'
- 9.3 Where the contract value is £25,000 or above, a Contract Award Notice should be placed on Contracts Finder
- 9.4 Where the contract value exceeds the relevant UK threshold, Officers should observe a 'standstill period' before finalising the award of the contract
- 9.5 Where the contract value exceeds the relevant UK threshold a Contract Award Notice should be placed on the Find a Tender Service (FTS).

10. Inviting Quotations and Tenders (Contract Types 2 - 5)

- 10.1 All Invitations to Quote/Tender shall, as a minimum:
- Be conducted electronically using the Council's approved E-Procurement system or another E-Procurement system approved by the Procurement Service unless agreed otherwise by the Head of Finance
 - Be advertised in accordance with the requirements of this Code
 - Be issued to at least 3 potential suppliers unless: -
 - There are not 3 suppliers in the market or
 - Where required by the Public Contract Regulations to invite more than 3 suppliers
 - Include clear instructions on how and where quotations/tenders are to be returned
 - Include the date, time and process for the return
 - Include appropriate terms and conditions

- Include a clear specification which describes the Council's requirements and expected levels of quality including setting out how any social value can be achieved in line with the Council's policies, such as addressing climate change impacts, sustainability issues or other Corporate Social Responsibilities associated with the contract.
- Specify the time limit (if any) for delivery;
- Describe the criteria and process that will be used to evaluate the bids including any question weightings and sub-criteria that apply ensuring that the Council's preference towards 'quality' criteria always has a combined weighting higher than that of financial or 'price' criteria
- Include Corporate Social Responsibility (CSR) Criteria (including addressing Climate Change) at a combined weighting of 5-15% within the 'quality' criteria, for all contracts over £50,000.
- Where relevant, consider whether an assessment of the foreseeable element of 'embedded carbon' contained within any tendered offer should be sought.
- Include a robust and proportionate framework for managing the performance of the contract capable of evidencing that the contract is delivering the required business benefits/outcomes, including performance in relation to carbon emissions.
- Include any supplementary information required by potential bidders to enable them to submit clear and concise bids,
- Require the completion and return of a Form of Tender and certificates relating to canvassing and non-collusion.
- When establishing a framework agreement, a clearly defined process shall be included outlining how call off contracts are to be awarded see Section 2 Point 8 of this Code

11. Advertising Requirements

- 11.1 All procurements with an estimated aggregate value below £25,000 are not required to be publicly advertised
- 11.2 All procurements with an estimated aggregate value of £25,000 or above must be advertised on the Council's E-Tendering portal and on Contracts Finder

- 11.3 All procurements expected to exceed the applicable UK threshold must be published on the Council's E-Tendering portal, Contracts Finder and in the FTS.
- 11.4 Advertisements for contracts exceeding the relevant UK threshold should not appear on the Council's E-Tendering portal or on Contracts Finder until after they have appeared in the FTS.

12. Management of Quotations and Tenders (Contract Types 2 - 5)

- 12.1 Bidders must be given an adequate period of time in which to prepare and submit a quotation/tender consistent with the complexity of the procurement. Where the contract value is expected to exceed the applicable UK threshold, the Public Contract Regulations require specific time periods to be observed depending on the procurement procedure being followed.
- 12.2 Providing clarification on any aspect of the quotation/tender to bidders during the bidding period is permitted. All clarification requests should be in writing and therefore Officers must not accept or respond to verbal clarification requests. The clarification questions asked (anonymised to ensure the integrity of the bidders) together with the Council's response must be made available to all bidders
- 12.3 Officers may extend the deadline for submission of quotations/tenders where it is considered appropriate to do so. Where the deadline for submission of quotations/tenders is extended, all bidders will be notified of the extension and any bidders that have already submitted a quotation/tender shall be given the opportunity to re-submit.
- 12.4 Quotations/Tenders will be submitted by bidders via the Council's approved E-Tendering portal unless alternative arrangements have been agreed by the Head of Finance.
- 12.5 A formal opening ceremony will take place and no quotation/tender submissions will be available to evaluate until after the opening ceremony
- 12.6 Late quotations/tenders will not normally be accepted. Officers must obtain the agreement of the Head of Finance prior to accepting any late quotations/tenders

13. Evaluation of Quotations/Tenders (Contract Types 2 - 5)

- 13.1 Officers are responsible for ensuring that all bids are suitably assessed. The assessment process shall, as a minimum, establish that all potential bidders have sound economic and financial standing and sufficient technical ability and capacity to fulfil the requirements of the Council
- 13.3 Evaluation of bids must be undertaken in accordance with the evaluation methodology and evaluation criteria described in the quotation/tender document.
- 13.3 Evaluators are required to evaluate bids independently and provide comprehensive comments in support of their evaluation.
- 13.4 Where less than 3 quotations/tenders are returned, the evaluation can still proceed. Prior to awarding any contract in these circumstances, Officers should be confident that the bids received secure best value for the Council.
- 13.5 Where only one quotation/tender has been received, the Head of Service in conjunction with the Procurement Service will agree whether it is appropriate to award a contract or to abort the procurement and consider alternative options.
- 13.6 If the quotation/tender evaluation reveals any errors which affect the quotation/tender price, the bidder will be provided with the details of the error and given the option of confirming the price as submitted or withdrawing from the procurement process. If an Officer considers an alternative approach to be in the best interests of the Council, Officers must receive prior approval from the Head of Finance
- 13.7 Where information is missing from a quotation/tender, Officers may clarify the omission with the bidders with the prior agreement of the Procurement Service.
- 13.8 Seeking clarification of a submitted quotation/tender whether in writing or by way of a meeting is permitted. However, discussions with bidders after submission of a quotation/tender and before the award of a contract with a view to obtaining adjustments in price, delivery or content (i.e. post tender negotiations) must be the exception rather than the rule. In particular, such negotiations must not be conducted during an UK Procedure (other than within the provisions of the Competitive with Negotiation (CWN) and Competitive Dialogue (CD) procedures) without the prior agreement of the Head of Finance

13.9 If post tender negotiations appear necessary you should take advice on whether negotiations are permissible. Normally such negotiations should be undertaken with all those bidders who have met the selection criteria in the original procurement process. During negotiations, the Council's requirements set out in the original procurement process should not be substantially altered.

13.10 Apart from the debriefing required or permitted by this Code, the confidentiality of quotations/tenders and the identity of bidders must be preserved at all times and information about one bidders response must not be given to another during the evaluation process. Notwithstanding this, Officers should be mindful of the Council's duties under the Freedom of Information Act and in some circumstances some disclosure may be required to comply with those

14. Acceptance of Tenders

14.1 The table below sets out the approvals required. They apply equally to contracts that may be awarded through negotiation as they do to those awarded through competition. They also apply to contracts intended to be awarded from collaborative procurement exercises or framework agreements including those let by organisations such as CCS, ESPO, YPO etc.

Contract Type	Approval To Award a Contract
1	Commissioner or above
2	Commissioner or above and Procurement Service
3	Commissioner or above and Procurement Service
4	Commissioner, SMT member and Procurement
5	Commissioner, SMT member and Procurement

14.2 Where external funding has being provided to support the budget for the procurement, e.g. ERDF, Heritage Lottery Fund, Friends Groups etc. acceptance of the award decision may need to be obtained from the external funder prior to a tender being accepted.

14.3 Tenders may be accepted provided that the tender sum and any on-going financial commitments can be met from within the available budget or in

relation to capital expenditure, the tender sum together with any other scheme costs (e.g. fees, capital, salaries, post-contract services etc.) can be met from within the capital programme provision and that Cabinet approval for the capital expenditure has previously been granted,

- 14.4 Where a tender cannot be accepted because of budget limitations, a report should be submitted to the Cabinet outlining the circumstances and the possible options. It will then be a matter for the Cabinet to decide whether to proceed on a reduced basis, how the shortfall will be funded in line with the Financial Code of Practice, or not to proceed with the scheme.

15. Notifying Suppliers of the Outcome

- 15.1 Suppliers should be notified of the outcome of the procurement process as soon as possible after approval to award the contract has been obtained and should be notified in writing.
- 15.2 For contracts below the applicable UK threshold (Types 1-4), the winning bidder should be advised of the outcome prior to communicating with any unsuccessful bidders. Unsuccessful bidders should be advised of the outcome once the successful bidder has indicated their willingness to deliver the contract
- 15.3 Contracts that are subject to the UK procedure or any UK replacement procedure must be awarded in accordance with the requirements of the Public Contract Regulations: -
- 15.3.1 Intention to award letters should be issued simultaneously to all bidders (successful and unsuccessful) advising them of the intention to award the contract and providing them with a 'standstill period' of at least 15 calendar days (or 10 calendar days if notification letters are sent electronically via the Council's approved E-Tendering portal).
- 15.3.2 The Council's standard Intention to Award letter must be used and must include the following debriefing information: -
- i. The criteria for the award of the contract;
 - ii. The name of the successful bidder(s);
 - iii. The score of the bidder, together with the score of the successful bidder/s;

- iv. The reason for the decision, including the characteristics and relative advantages of the successful bidder/s; and
 - v. Confirmation of the date before which the Council will not enter into the contract (i.e. the date the standstill period finishes).
- 15.4 Unsuccessful bidders wishing to formally challenge the award decision are initially required to do so during the standstill period and before the contract award is confirmed. If an award decision is questioned in writing or formally challenged by or on behalf of an unsuccessful bidder after the issue of an Intention to Award letter and during the standstill period, the Officer shall not proceed to award the contract but shall immediately inform the Head of Finance and seek the advice of Legal Services on next steps.
- 15.5 Subject to no formal challenges being received during the standstill period, the Officer may confirm the award of the contract to the successful bidder using the Council's Confirmation of Award letter template

- 16.1 The award of all contracts with a value of £5,000 and above must be published on the Council's website
