Yes (in September 2006 and in December 2006)

If 'No', can you briefly explain why you did not do so:

4 (a). Do you consider the SCI is:

Sound¹
Go to Qu.5
(ie you support
the SCI)

Unsound
Go to Qu.4.(b)
(ie you consider
changes are
required to
the SCI)

4 (b). If you consider the SCI is **unsound**, please identify which test of soundness your representation relates to (having regard to test numbers 1-9 listed in the Annex).

Please note you should complete a separate form for each test you consider the SCI fails.

Test no.
(see Annex)

5. To which part of the SCI does your representation relate?

Section

Paragraph

6. Please give details of what change(s) you consider necessary to make the SCI sound, having regard to the test you have identified at 4. above. You will need to say why this change will make the SCI sound. Please be as precise as possible.

(Continue on a separate sheet /expand box if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

7. Can your representation be considered by written representations or do you consider it necessary to participate at the oral part of the examination?
