Paragraph Not known

6. Please give details of what change(s) you consider necessary to make the SCI sound, having regard to the test you have identified at 4. above. You will need to say why this change will make the SCI sound. Please be as precise as possible.

I am afraid that I have lost the trend and reason for filling in this form. I have contacted council thrice in the last 12 months.

- Regarding confirmation of green belt restriction on land behind my property after surveyors were seen taking levels in field adjoining my property.
- After learning that new development in Kenilworth Rd has only one parking space per dwelling and no visitor spaces irrespective of bedrooms. This means greater on street and pavement parking. As a person proud of Leamington it is I know that this decision is very wrong. All new developments should include sufficient off road parking.
- Stating that Leamington should become a pedestrian centre. All new and successful shopping are so. When the parade is closed it is a pleasure to be there. With buses, cars etc it is a fume belching stationary traffic line. When the buses were made to park outside Kingsley school, I hoped that this was a permanent move. It should have been.
- The opening of a foot path from Woodcote/College Drive area through the Maltings and through the Arnold Lodge to Binswood Ave. This would encourage residents of a large area to walk into town by avoiding busy road and considerably shortening the route.

(Continue on a separate sheet /expand box if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity to make further representations based on the original representation. **After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.**

7. Can your representation be considered by written representations or do you consider it necessary to participate at the oral part of the examination?

8. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:

Not required, but it would ensure that the matters are raised and an answer why another decision has been made.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
