Site Ref	W02	Site Name	2-22 Northgate Street
Site Size (Hectares)	0.43	Settlement	Warwick
Source	SHLAA 08	Land Type	Previously developed
Adjacent/ Overlapping Site			

Suitability for Housing						
Location	Town centre					
Policy Restrictions	Town Centre Employment Area Protecting Employment Land and Buildings					
Physical Constraints	Highly sensitive location - 2-22 Northgate Street (original buildings) are all Listed Buildings Grades II and II* .					
Potential Impacts	Adjacent to Scheduled Ancient Monument (Site of St Mary's College) and Listed Buildings on opposite side of road and on The Butts Within Warwick Conservation Area Adjacent to Grade I Listed St Mary's Church Impact on residential properties on The Butts					
Environmental Conditions	Adjacent to Air Quality Action Area					
Overall Suitability	Potentially suitable, subject to the ability to demonstrate how the benefits to the listed building from a residential use would outweigh the loss of employment land.					
Availability						
Available, owned by County Council. Partly vacant. Could be made available in short term.						
Achievability						
Achievable, although additional costs of converting a listed building may make scheme more marginal in current market.						
Housing Capacity

Site Size (Hectares)	13.1	Settlement	Warwick
Source	SHLAA 08	Land Type	Previously developed
Adjacent/ Overlapping Site	W07 Heathcote Farm & adjoining area		

Suitability for Housing						
Location	Open Countryside to south of Warwick/Leamington urban area					
Policy Restrictions	Open Countryside					
Physical Constraints	Flood Zones 2 & 3B in southern extremity of site. Disused sewage works. Landfill Site. Extensive remediation required. Sludge deposits on lower part of site Limited access and dependent upon adjoining site to north coming forward. Within an area of medium to high landscape value					
Potential Impacts	None					
Environmental Conditions	Satisfactory, subject to site remediation					
Overall Suitability	Potentially suitable, subject to amendment to open countryside designation, sludge deposit sites being restored for open space (only 50% of site therefore developable) and the development of adjoining land adjacent to the urban area (W07).					
Availability						
Available, subject to adjoining site coming forward for development.						
Achievability						
Achievable with a strong housing market and subject to access and appropriate contributions being made towards improving infrastructure and services.

Adjacent/ Overlapping Site	W03 Heathcote Sewage Works; W20 Warwick Gates Employment Land; R32 The Asps, Europa Way; R52 Land at New House Farm		

Suitability for Housing						
Location	Adjacent to Warwick/Leamington urban area					
Policy Restrictions	Open Countryside					
Physical Constraints	Site includes disused sewage works. Landfill Site Sludge deposits on lower part of site. Likely to require extensive remediation. Southern extremity of site in Flood Zone 3B and part of western section in Flood Zone 2 & 3A. The N & NW parts of site are classified as ALC Grade 2					
Potential Impacts	Impact on open countryside in an area of medium/high landscape value. Development on ridge would impact on open views from south					
Environmental Conditions	Satisfactory, subject to site remediation.					
Overall Suitability	Potentially suitable, subject to amendment to open countryside boundary, site remediation in area of sewage works and significant open buffer to southern fringe within flood zone to form a natural boundary to development possibly in public ownership.					
Availability						
Available, landowners have expressed willingness to release the land for mixed use development within the next 5 years (2008-2013)						
Achievability						
Achievable, although the scale of development will require significant contributions towards improved infrastructure and services, including transport, education and health, and parks and open spaces. This may require third party land and the agreement of statutory bodies. Employment areas may also be required to provide the opportunity for people to live and work in close proximity.
