

**WARWICK DISTRICT LOCAL PLAN EXAMINATION**

**INDEPENDENT EXAMINATION**

**MATTER 3 – THE SUPPLY AND DELIVERY OF HOUSING LAND**

We reiterate representations previously submitted that the supply and delivery issues have not been adequately addressed and are not reflective of the up-to-date position and other issues which are taking place in the locality. See our comments before on Matters 1 and 2 regarding duty to co-operation, emerging Plans, in particular Rugby and Coventry, and the need, in particular, to address housing growth to support the wider HMA. There has been insufficient regard to employment needs and growth. This will heavily influence the demand for housing and this will create needs in the urban/edge of urban and rural areas which have not been taken into consideration adequately.
