Confidentiality request by complainant

Only complete this next section if you are requesting that your identity is kept confidential

In the interests of fairness and natural justice, we believe members who are complained about have a right to know who has made the complaint. We also believe they have a right to be provided with a summary of the complaint. We are unlikely to withhold your identity or the details of your complaint unless you have good reason to believe that:

- You will be at risk of physical harm if their identity is disclosed;
- You are an officer who works closely with the Councillor concerned and will suffer a disadvantage to your employment or may lose your job if your identity is disclosed (officers should consult the Council's whistle-blowing procedure); or
- You suffer from a serious health condition leading to medical risks associated with your identity being disclosed.

Please note that requests for confidentiality or requests for suppression of complaint details will not automatically be granted. The Monitoring Officer, in consultation with the Independent Person advising Warwick District Council, will consider the request alongside the substance of the complaint. The Monitoring Officer will then tell the complainant of the decision.

It is important to understand that in certain exceptional circumstances where the matter complained about is very serious, we can proceed with an investigation or other action and disclose your name even if you have expressly asked us not to.

Please provide us with details of why you believe we should withhold your name and/or the details of your complaint:
