Kevin Ward – Inspector,
Planning Inspectorate

FAO: Bart Bartkowiak; PINS

our ref:DB

your ref: PINS/T3725/429/5

3rd June 2016

Dear Mr Ward

Re: Modifications to Warwick District Local Plan

Please find enclosed a disk containing the Council's Local Plan Modifications and supporting documents. An index of all the documents contained on the disk is appended to this letter.

As agreed with the Programme Officer, we will be providing paper copies of all the representations received as a result of the consultation on the modifications next week along with an update to the Sustainability Appraisal. It is our intention to send these to the Planning Inspectorate in Bristol via Courier by Friday the 10th June. In the meantime, the consultation representations along with a summary of each representation is available on the Council's website:

<https://warwickdc.jdi-consult.net/localplan/viewreps.php?action=submitsearch&repid=&docid=56&searchtype=Option>

As well as sending the paper representations, we will also provide two further documents next week regarding housing supply. We have just completed the housing monitoring for 2015/16. As a result we are currently finalising updates to a housing supply topic paper (including an updated housing trajectory and the latest estimate regarding 5 year housing land supply on adoption) and the windfalls allowance paper.

If you have any queries about the modifications or the other information we have provided, please let me know. Otherwise, I look forward to hearing from you in due course with regard to your thoughts about how and when the examination process will proceed.

Yours Sincerely

David Barber
Policy and Projects Manager
