

## **Memorandum of Understanding relating to the planned distribution of housing within the Coventry & Warwickshire Housing Market Area (HMA)**

### **PARTIES TO THE MEMORANDUM**

The Memorandum is agreed by the following Councils:

- Coventry City Council
- North Warwickshire Borough Council
- Nuneaton & Bedworth Borough Council
- Rugby Borough Council
- Warwick District Council
- Stratford-on-Avon District Council
- Warwickshire CC

### **PURPOSE**

This memorandum of understanding seeks to ensure that the housing needs of the C&W HMA are met in full.

This memorandum of understanding establishes a framework for co-operation between the constituent authorities with respect to the delivery of housing across the Coventry and Warwickshire HMA. It is framed within the Localism Act 2011 and the duty to cooperate set out in Section 110. This sets out the way in which the Councils will consult one another and work together on matters which affect more than one local authority area.

There is clear evidence that Coventry City Council is unable to meet its full objectively assessed housing needs within the city boundary and thus is unable to meet the requirements of paragraph 47 of the NPPF. It is agreed that for plan making purposes there is a primary housing market area comprising Coventry and the whole of Warwickshire. As a result the City Council and the five Borough/District Councils within Warwickshire have collaborated to assess the full housing needs of the market area and to establish realistic assumptions about the availability, suitability and viability of land to meet that need, in accordance with paragraphs 159 and 160 of the NPPF.

The focus of this memorandum is to ensure that housing needs arising from the growth of the city's population but not capable of being met within Coventry itself will be met within the HMA as a whole. Each local authority will make best endeavours to deliver the housing as set out in this MoU.

**POINTS OF AGREEMENT**

The Memorandum has the following broad objective:

The Warwickshire authorities accept that Coventry City Council is unable to accommodate its full housing need. Each Council will therefore cooperate to establish a revised distribution of housing which ensures that the overall needs across the housing market area will be met.

To achieve this objective, it is agreed that:

1. The OAN for the HMA is 85,540 (2011-2031).
2. The table below contains the OAN of each authority within it.

	Average annualised total	Total OAN* (2011-2031)
<b>Coventry</b>	2,120	42,400
<b>North Warwickshire</b>	237	4,740
<b>Nuneaton &amp; Bedworth</b>	502	10,040
<b>Rugby</b>	480	9,600
<b>Stratford-on-Avon</b>	659	13,180
<b>Warwick</b>	600	12,000

Source: Updated assessment of housing need for the C&W HMA, September 2015.

*\*OAN for NWBC and SDC contains need external to the HMA (2,620 gross dwellings). There is also an element of economic uplift in SDC, NWBC and NBBC which will support redistribution of housing from Coventry (3,800 gross dwellings).*

3. As of September 2015, the table below reflects an appropriate and robust distribution of housing across Coventry and Warwickshire

	TOTAL (2011-2031)
<b>COVENTRY</b>	Minimum of 24600 *
<b>NORTH WARWICKSHIRE</b>	5280
<b>NUNEATON AND BEDWORTH</b>	14060
<b>RUGBY</b>	12400
<b>STRATFORD-ON-AVON</b>	13180
<b>WARWICK</b>	18640
<b>TOTALS</b>	88160

\* Should Coventry’s capacity increase then the number redistributed to Warwickshire authorities will be considered against the methodology underpinning this report.

4. In the event that, as a result of the completion of Strategic Housing Land Availability Assessment’s (to the agreed C&W methodology) it is shown that

the distribution in the Table above cannot be delivered, this MOU will be reviewed so that the overall housing requirement is met within the HMA.

5. In the event that, as a result of co-operation with a local authority outside the housing market area, additional development is to be accommodated within the CWHMA at a level that materially affects the distribution set out in this document, the MoU will be reviewed.
6. Each local planning authority will prepare a Local Plan that reflects the agreed distribution.
7. Each local authority will ensure the most efficient use of land is promoted when delivering housing sites across their area. In doing so density assumptions should be appropriate, justified and deliverable.
8. The plan making process will ultimately establish the capacity of each area and quantities of housing that can be delivered. Through the plan making process, the Councils will continue to monitor the capacity of the HMA and in particular any authority that is unable to meet its OAN or redistributed housing requirement. In this instance, the Councils will seek to maximise the quantity of housing delivered in these authorities.
9. Each local authority is committed to ongoing cooperation and engagement by both officers and members in relation to delivery of housing for the C&W HMA.

### **LIMITATIONS**

For the avoidance of doubt, this Memorandum shall not fetter the discretion of any of the Councils in the determination of any planning application, or in the exercise of any of their statutory powers and duties, or in their response to consultations, and is not intended to be legally binding but shows clear commitment and intent to meeting the full housing needs of the market area.

### **LIAISON**

Member level representatives of the Local Authorities through the Shadow Economic Prosperity Board (EPB) will meet as a minimum yearly or more frequently when appropriate, in order to;

- Maintain and update the memorandum, as necessary.
- Monitor the preparation of Local Plans across the six authorities and discuss strategic issues emerging from them

### **TIMESCALE**

The Memorandum of Understanding is intended to run up to 2031 to align with the timescale of the evidence.

### **MONITORING**

Annual monitoring will be carried out to ensure that housing delivery is maintained throughout the HMA. This will be overseen by the C&W monitoring group which will agree monitoring targets to include permissions, completions and densities. However, due to fluctuations in the market and sites coming on stream a review trigger will come into force if there is a persistent under delivery of housing (against the HMA annualised target) over a consecutive 3 year period.

**REVIEW**

The document will be reviewed no less than every three years but will be reviewed when new evidence, that renders this MOU out of date, emerges
