Welcome

Warwick District Council and thousands of volunteers are delighted to invite you to our annual Heritage Open Days weekend.

This is the one weekend in the year when many buildings, gardens and places of historic interest, not normally open to the public, will be opening their doors to everyone FREE of charge. This guide lists a vast range of venues to visit and explore, with a host of hidden treasures waiting to be discovered.

To mark the 300th anniversary of the birth of Capability Brown and to celebrate our wonderful parks and gardens, you can enter our special HOD competition (details on the inside back cover) and win a family pass to Warwick Castle where you can visit the stunning gardens and landscape influenced by Capability Brown at the beginning of his career.
