MATTER 7a

H44 Housing North of Milverton

The proposed housing in the Green Belt to the North of Milverton will close the openness of the green field land around Leamington Spa.

11. This proposal together with the safeguarded area of land North of Milverton and will further reduce the green space between Leamington and the settlements of Blackdown and Old Milverton.

The site of H44 is also under consideration the fact that the site is under consideration as part of the area under consideration for use as a park and ride facility
