Dear Chris,

Just a quick note to confirm that Warwickshire County Council is supportive of the Statement of Common Ground and recognises that this will evolve further as discussions continue between the agencies concerned.

Warwickshire County Council will be keen to work with others to develop a masterplan approach to ensure that as and when sites come forward there is a clarity about infrastructure requirements.

I will be happy to submit the draft document to Senior Leaders to achieve formal sign off.

I look forward to working further you.

Kind regards

*Janet*

Further to our telephone conversation please see attached final version of the SoCG. Please note the intention for the consortium to continue to engage with the County regarding the on site provision of education going forward.

I would be grateful if you could respond to this email to confirm that Warwickshire County Council endorse its content and to set out that this will be issued to Senior Leadership to be formally signed off.

Kind regards

Chris
