Hello Cllr Cross

Please find attached a copy of the proposed Statement of Common Ground for the site at Kings Hill. It is now accepted as the final draft, although there are still a few points to be ironed out with the County Council, but apart from that it is ready to be submitted. Dave suggested I send it to you now to allow you to have sight of it – we are happy with it as it stands and any subsequent minor changes that might be required can be picked up as an addendum if necessary.

If you are happy to endorse it, please could you send me an e-mail to that effect this afternoon once you have considered it?

Many thanks,

**Samantha Holder**
