

CHECKLIST FOR ADVERTISEMENT CONSENT APPLICATIONS

This checklist sets out the information that should be supplied with an application for Advertisement Consent not accompanied by another application such as for listed building consent or planning permission and contains minimum national requirements and the local requirements that may be applicable.

The national requirements are those which are set out in the CLG document "The Validation of Planning Applications: Guidance for Local Planning Authorities" issued in December 2007. The local requirements were approved by Warwick District Council Planning Committee on 30 January 2008

PLEASE NOTE: information provided on the application form and accompanying drawings and documents will be made available on the internet.
