

Warwick District Local Plan Examination

Hearing session for Matter 11 University of Warwick and major sites in the Green Belt

9.30pm Weds 7th December 2016 (morning only)

AGENDA

1. Policy MS1 – Warwick University

- Background to site
- Extent of development and planning permissions
- Justification for removal of site from Green Belt – Are there exceptional circumstances? Is this made sufficiently clear?
- Site boundary
- Potential adverse impacts of development and how addressed
- Clarity as to what would be permitted on the site – does policy need to specifically refer to University related development?
- Clarity of removal of site from Green Belt – i.e. in Policy?

2. Policy MS2

Former Honiley Airfield

- Approach to further development on the site – should the policy be more positive/definite?
- Should it be more specific about the types of development that may be suitable?
- Should site be removed from Green Belt?
- Is boundary appropriate, should it include the test track?

Stoneleigh Park

- Approach to further development on the site – should the policy be more positive/definite?
- Should it be more specific about the types of development that may be suitable?
- Should site be removed from Green Belt?
- Potential impact of HS2

Stoneleigh Business Park

- Approach to further development on the site – should the policy be more positive/definite?
- Should it be more specific about the types of development that may be suitable?
- Should site be removed from Green Belt?
