

Matter 14: Transport Policies

Note on revisions to policies TR3 and TR4

16th December 2016

- 1 At the Local Plan Examination hearings on 13th December issues relating to various transport policies were discussed.
- 2 Following this, the council considered whether policy TR3 (Transport improvements) was still required, given that other proposed local plan policies also related to the provision of infrastructure.
- 3 After consideration it was decided that **policy TR3 should be deleted** as it was repetitious and did not contribute to the clarity of the plan.
- 4 Policy TR4 (Parking) – the Inspector felt the opening clause of the policy was unclear and did not aid legibility.
- 5 The proposed amendment to the policy reads:

TR4 Parking

Development will only be permitted that makes provision for parking which:-

~~a) does not encourage unnecessary car use;~~

~~b) a)~~ has regard to the location and accessibility of the site by means other than the private car ...
