

WDC Matter 15 Submission - Delivery and Monitoring Activities

The following amendment is proposed as a result of the Matter 15 hearings on 14th December. To ensure consistency with Policy DS20 (as amended by EXAM 72), amend the Delivery and Monitoring Activities table as follows:

Delivery and Monitoring Activities

Area of Activity	Description of Activity
Reviewing the Plan	Throughout the Plan Period, the Council will monitor evidence and issues which could render the Plan out of date and as a result could trigger a review or partial review. <u>The circumstances in which the Plan will be reviewed are set out in Policy DS20. Policy DS20 also commits the Council to undertaking a comprehensive review of circumstances before 31st March 2021 to assess whether a partial or full Plan review is required.</u>

For instance, the Plan may be reviewed if one or more of the following circumstances arises:

Through Duty to Cooperate, it is necessary to accommodate the development needs of another local authority area within the District

Updated evidence or changes to national policy suggests that the overall development strategy should be significantly changed

The annual monitoring report demonstrates that the overall development strategy or the policies are not delivering the Local Plan's objectives and should therefore be significantly changed

Any other reasons that render the Plan, or part of it, significantly out of date
