Dear Ms Smith

SEA Screening Consultation for the Kenilworth Neighbourhood Plan

Thank you for referring the above request for an SEA Screening Opinion which was received on 09 August 2017. We apologise for the delay in our response.

We have reviewed the Kenilworth Neighbourhood Plan Strategic Environmental Assessment Screening Opinion, dated August 2017, and we agree with the findings that an SEA is not required.

Please note, there is significant floodplain and associated watercourses within the plan area and affecting a number of the policies. Therefore, we would look for this to be reflected within the wording of the policies with appropriate recommendations for management of the water environment. This should take into account information from the Severn River Basin Management Plan.

Yours sincerely

Ms Anne-Marie McLaughlin
