- If you are British, Irish, a European Union citizen or a Commonwealth citizen who has leave to remain in the UK or does not require leave to remain in the UK
- If you live at the property
- If you are aged 16 and over (however you will not be able to vote until you are 18)

If you do not meet the three requirements above then you are not eligible to register, however you are still required to respond. WHAT DO I DO IF THE HOUSE IS EMPTY?

You still need to respond.

If nobody's details are on the form - you can call free on 0800 197 9871 or text 80212 to confirm the property is still empty.

If someone's details are on the form, but the property is now empty – you can either go online at **www.householdresponse.com/warwick** (you will need the security code from your form) or tick the property is empty box (in the "Nobody eligible to vote" section) or sign the form and send it and return it in the envelope provided.

THIS HOUSE IS OCCUPIED BY STUDENTS

As a student you are able to register both at your home address and at your university address, as you are entitled to vote at local elections at home and here. However, you are only able to vote once at a national election, so you could choose where to vote, either here or at your home address.

Insert the names of those students who wish to register here. If you are all registered at home, and do not wish to register here, tick the Other reason box (in the "Nobody eligible to vote" section) and state Student Accommodation, all Students registered at home address.

You can respond by going online at **www.householdresponse.com/warwick** and following the instructions; you will need the security code from your form to do this, or completing the form, signing it and posting it back in the envelope provided.
