

Notice of ground investigation works

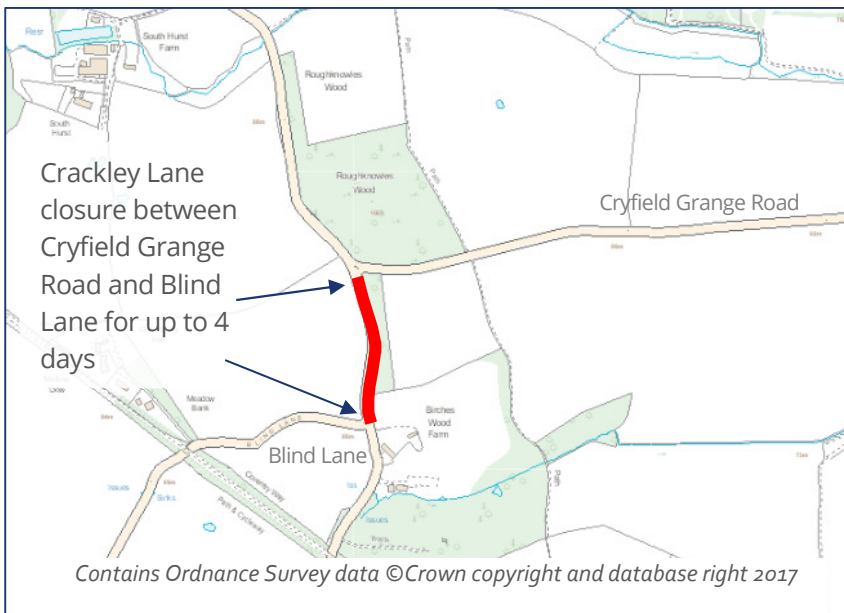

January 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain which will provide a vital transport link for the country. Initial works on Phase One of HS2, from London to the West Midlands, have now started. These early works are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

We will be in your area to carry out ground investigation works. These surveys will allow us to identify utilities located along a short section of **Crackley Lane between Cryfield Grange Road and Blind Lane**. These surveys will be carried from **Monday 4th February and are expected to take four working days**, subject to permits and site conditions.

The road will be closed throughout this period. Access will be maintained for emergency vehicles and to all households along the route. An agreed and clearly signed local diversion will be in place.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk
