Wellbeing Walks

Why not join one of our regular Wellbeing Walks in Leamington, Warwick, Kenilworth or Hampton Magna? It's a great way to keep a healthy mind and body, meet new people and prevent illness. Walks are led by a friendly team of volunteers and vary in length and distance from half a mile to four miles depending on your walking ability and most cater for wheelchairs and pushchairs/ buggies.

**first steps to
a happier,
healthier you**

Choose How You Move in Warwick District

Earn rewards for green and healthy travel when out and about in Warwick District!

Our Choose How You Move challenge rewards you for ditching the car and choosing sustainable transport. Track your travel and earn BetterPoints that can be redeemed at your favourite local high street stores, or donated to charity. Each Wellbeing Walk you do can earn you rewards, so why not get started?

Visit www.warwickdc.gov.uk/CHYMWD to get started.

	Toilets and refreshments available; wheelchair accessible with car parking nearby		

it's a great way to keep
a healthy mind and body

Walking has been described as the perfect exercise, and we completely agree!

Healthy Bodies

Walking is a normal, every day activity - and that's partly why we forget it's actually exercise at all. It's good for us. It can help us stay healthy and watch our weight. It gives us energy.

Meet New People

Walking as part of a group is a good way to start and keep going. You'll make friends, encourage each other, develop a network of supportive fellow walkers and discover new walks in and around your area.

Healthy Minds

Walking – Just like when we do any kind of exercise, our brains release chemicals that make us feel good. This means walking can help with things like depression, stress and anxiety.

Preventing Illness

Being active is a great way to help reduce the risk of a number of different illnesses. People who stay active are less likely to have certain types of cancer, diabetes and heart conditions.

Wellbeing Walks are run by the Ramblers. By sharing their walking and health expertise they enable our schemes to offer short, free, local health walks in communities across England.
