Temporary traffic lights – Burton Green

November 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are now underway in your area, carried out by LM – a joint venture between Laing O’Rourke and J. Murphy & Sons.

LM will be carrying out works to create two temporary accesses to facilitate the construction of the approved Kenilworth Greenway diversion in Burton Green. From **Monday 2nd December**, three-way temporary traffic lights with a lane closure will be put in place on **Hob Lane** (see map below).

Following works on Hob Lane, two-way traffic lights with a lane closure will be put onto **Red Lane** (see map below) to create a second construction access point starting around the **second week of December**, with works being completed before the Christmas break. All **traffic management will be on 24 hours a day, seven days a week with working hours 8am to 6pm** to ensure safety during these works.

Further information about LM’s work in the Burton Green area is available at hs2inwarwickshire.co.uk, where you can also sign up to receive updates on our work by email.
