

Notice of Exemption to Key Decision Process Exemption to procure support for the Future High Street Fund Application

This report requests an exemption to the Council's regular procurement process to secure support for its application to the Future High Streets Fund. An exemption is sought due to the timescales and funding requirements of the funder (Ministry of Communities, Housing and Local Government).

It was not possible for the Council to meet the requirement for publishing this notice 28 days in advance of the decision due to the availability of information from the funder and lack of Officer capacity to respond. This has been resolved with the appointment of the Programme Manager – Town Centres to coordinate the bid.
