Notice of temporary closures of Crackley Lane

April 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are now underway in your area, carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

To ensure safe access to our work sites in the Crackley area, we will temporarily close a section of Crackley Lane on three weekends. This timeframe is subject to approvals and site conditions, and may change at short notice.

While the road closure is in place, there will be a signed diversion.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk
