

Notice of Balfour Beatty VINCI extended working hours

March 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci is working on behalf of HS2 Ltd to build the new high speed railway in your area.

What work will we be doing?

Balfour Beatty VINCI are working within land situated off the Welsh Road, already occupied by the Early Works Contractor - Laing O'Rourke Murphy. The works we will be completing will enable our tunnel boring machine to start in line with the construction programme.

To help our construction teams deliver these works on time, extended working hours consent has been applied for and approved.

The work we will be completing will be as follows –

- Construction of compound to facilitate works
- Excavation works
- Installation of drainage
- Construction of reinforced concrete base slab and headwall.

During our construction works, there will be an increase in construction traffic travelling to and from the site, to enable deliveries and help our construction work to take place.

When will the extend working hours begin?

The extended working hours will begin week commencing 13th April and run through to July 2020. In April the working hours will be 8am – 7pm and then throughout May, June & July the working hours will be 8am – 8pm.

Why are we extending our working hours?

We are extending our working hours to make use of the seasonally adjusted daylight hours. More work can be completed throughout these months, which will enable Balfour Beatty VINCI to meet the construction programme agreed.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
