# Updated Notification Emergency Closure – Welsh Road

March 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Initial works have now started and are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

**The Welsh Road emergency closure will now be extended for an additional week between the Fosse Way junction and Bascote Heath Road junction. Therefore, the road will remain closed from Monday 23 March for two weeks.** The reason for the closure is to undertake emergency repair work to ensure the road is kept safe and secure for all users.

Access will still be maintained for households and businesses along the road and a clearly signposted diversion will be in place. Please register at [hs2inwarwickshire.co.uk](http://hs2inwarwickshire.co.uk) to receive updates about works in your area and for up-to-date traffic information go to [one.network](http://one.network).
