Categories: Aspia

Good afternoon,

As requested, we have reviewed the Screening Opinion prepared in support of the Burton Green Neighbourhood Development Plan (NDP). Having reviewed the proposals we do not consider there to be significant environmental impacts as a result of this plan, therefore, we concur with the conclusions of the report and do not require an SEA or HRA to be undertaken in support of the plan.

We advise however the consultation is undertaken with Natural England amongst other statutory bodies prior to making the final decision.

Regards
Paul

Dear Statutory Consultee,

We sent you an email on 18 September 2020 regarding the SEA Screening Opinion for Burton Green Neighbourhood Development Plan. We would be really grateful if you could respond with your comments on the screening opinion at your earliest convenience. The screening report and the Neighbourhood Development Plan is attached for your consideration.

Please get in touch with us if you have any questions on the above matter. We hope to hear from you soon.
