

Notice of traffic management - B4115 Ashow Road

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) alongside Laing O'Rourke and J. Murphy & Sons (LM) are working in partnership with HS2 Ltd to build the new high speed railway in your area.

Road closure and temporary traffic lights

To allow us to construct a new site compound off the B4115 Ashow Road, we will need to close the road. The closure will be during off-peak hours 9.30am - 3.30pm, from 24 May to 4 June 2021. This is to allow for plant and personnel to safely cross the road. Outside of these hours, automatic traffic lights will control traffic flow. These timings are subject to consents.

In addition, LM will be working in this location to prepare for future construction works, which include roadside vegetation clearance. This will take place during the road closure between 9:30am and 3:30pm in the week commencing 24 May. LM is also planning to work on Saturday 29th May between the hours of 9.30am – 12pm. We are working closely with Warwickshire County Council and the NHS to minimise impact on nearby vaccination centres and will be co-ordinating works with them.

Clearly marked diversionary routes will guide traffic around the works with minimal possible delay. This work will be completed as soon as safely possible.

We thank you for your patience as we complete this vital work.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works are scheduled to start 24 May – 4 June 2021.

The road will be closed between 9.30am - 3.30pm when diversions will be in place.

Traffic lights will operate outside of these hours.

What to expect

Some limited disruption to travel times.

Our workforce may be on site 1 hour before and after to set up and take down our work equipment.

What we will do

Inform you in advance of any changes to the dates shown.

Keep all sites safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
