

Warwick District Council HomeChoice

Please read these notes carefully before completing the HomeChoice Application Form and retain them for your information.

HomeChoice is a scheme which Warwick District Council operates along with a number of housing associations. We let available homes to those in housing need.

We advertise new and existing council and housing association properties through HomeChoice. This means that you will only have to fill in one form to apply for housing and everybody is assessed in the same way, no matter who the landlord is.

There are many more people applying for housing each year than there are empty properties to let and HomeChoice helps us to decide which applicants are allowed to register and who will be given priority for housing.

Registering on HomeChoice

To register on HomeChoice, you must:

- be over 16 years old (we usually only offer tenancies to applicants aged over 18 so if you are under 18 please contact the Housing Advice Team to discuss your options);
- meet the immigration rules to move into social housing;
- not be guilty of unacceptable behavior (for example, breaking the terms and conditions of a tenancy or former tenancy)
- have a local connection to Warwick district.

Please see section 3 for further information on local connection.

Application form and process

When we have received your application form, we will assess your application and place you in one of 4 bands.

You can download our [HomeChoice Allocations Policy](#) or [HomeChoice Booklet](#) for further information on how we assess your application or request a copy is sent to you by email or post.

- your user number
- your registration date
- the band we have placed you in
- the number of bedrooms you need
- information about how you can view and bid for available properties

If you do not agree with the band you are in or have been told you are not eligible to register, you can ask us to review your application. You must do this in writing within 21 days of the date on the decision letter. We will review your case and tell you the outcome in writing.
