

Warwick District Council Forward Plan
November 2021
Councillor Andrew Day
Leader of the Cabinet

The Forward Plan is a list of all the Key Decisions which will be taken by the Cabinet up to the next twelve months. The Warwick District Council definition of a key decision is: a decision which has a significant impact or effect on two or more Wards and/or a budgetary effect of £50,000 or more.

Whilst the majority of the Cabinet's business at the meetings listed in this Forward Plan will be open to the public and media organisations to attend, there will inevitably be some business to be considered that contains, for example, confidential, commercially sensitive or personal information.

This is formal notice under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that part of the Cabinet meeting listed in this Forward Plan will be held in private. This is because the agenda and reports for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. Those items which are proposed to be considered in private are marked as such along with the reason for the exclusion in the list below.

If you would like to make representations or comments on any of the topics listed below, including the confidentiality of any document, you can write to the contact officer, as shown below, at Riverside House, Milverton Hill, Royal Leamington Spa, Warwickshire, CV32 5HZ. Alternatively, you can phone the contact officer on (01926) 456114. If your comments are to be referred to in the report to the Cabinet or Committee, they will need to be with the officer 7 working days before the publication of the agenda. You can, however, make comments or representations up to the date of the meeting, which will be reported orally at the meeting. The Forward Plan will be updated monthly and you should check to see the progress of the report you are interested in.
