10 Declaration

This submission is made for the building work described overleaf, in accordance with Regulation 12(2)(b) of the Building Regulations 2010 (as amended). The appropriate fees will be made within 7 days. Payments can be made online at www.warwickdc.gov.uk/paybuildingcontrol. These standard charges have been set by the Council on the basis that the building work does not consist of, or include, innovative or high-risk construction techniques (details available from the Council) and / or the duration of the building work from commencement to completion does not exceed 12 months. I understand that the inspection fees are due within 14 days of commencement of the work.

The charges have also been set on the basis that the design and building work is undertaken by a person or company that is competent to carry out the design and building work referred to in the standard charges tables, that they are undertaking. Additional inspections may incur supplementary charges (see website for details).

I / we apply for building control approval with full plans as described on this form and as detailed on any supplementary documents.

14 Notes

1. Full Plans applications require plans to be submitted for checking. If items shown do not comply, the officer will contact the agent with a list of items needing attention. Plans may be approved, rejected or conditionally approved. The Building Control Officer will inspect the building work on site.
2. For full plans applications the fees are split. The submission fee must be paid within 7 days of submitting the application. The Inspection fee should be paid no later than 14 days after the commencement of the work.
3. Please contact us for a quote for garages in excess of 60m² floor area. Detached garages less than 30m² are often exempt from Building Regulations. Please contact us if you are unsure.
4. There is a 50% discount for Replacement Windows, Replacement Roof, Garage Conversion or Other Works up to £5000 value if these works are together with a domestic extension, loft conversion or basement conversion.
5. The estimated cost should be in line with recommended RICS rates, not including VAT, decoration or fees.
6. It is recommended to advise your building insurer prior to building works being undertaken.
7. Floor areas should be measured internally.
8. Written confirmation for Exemption of Fees should be from a medical professional, benefits provider or other professional body with relevant authority.
9. We offer up to an hour of free pre-application advice - please contact the office for details.
