2	03/10/2023 10:33 AM ID: 227974384	The Village Hall is now closed and the landowner has applied for Planning Permission for change of use to office space. This means that at the May local elections Sherbourne residents had to go to Barford Memorial Hall to vote. While I voted in Barford, (as a parish councillor), I know that some of our older, less mobile residents didn't.

26	09/10/2023 11:12 AM ID: 228412413	Even though I live very close to this location, I was amazed that someone would recommend one of the busiest locations in the district. Warwick Hospital is never easy to get into safely at the best of times. There location had no proper Poling Station signage outside the main entrance to the hospital, which not only confused my wife & myself, but we witnessed several people asking the hospital staff where the voting station was. Added to this confusion the surrounding traffic and those using the main car park mean that the area is constantly in flux. People were walking in front and behind cars in the car park as they both entered and left the poling station, on reaching the Lakin Road entrance they endeavoured to cross over the road at the junction avoiding the Zebra crossing further up the road.

67	26/10/2023 18:53 PM ID: 229978499	I did not appreciate people outside the polling station asking if I had brought Voter ID (which I do not agree with). I had, however that is for an officer inside the polling station to ask. She could have put off people voting, who with help from the returning officer inside, may have realised they did have suitable ID. I don't know if she was working for a party or the council, she had no ID herself.

72	28/10/2023 07:40 AM ID: 230055826	No
73	28/10/2023 10:59 AM ID: 230063720	I would prefer to be given the choice of, say, 3 local polling stations. Why? Because my travel or activities on polling days can be different each time, and sometimes another nearby polling station would be more convenient. For example, the Hatton Village Hall polling station (NOT Hatton Park) is actually more convenient for me as it is on my way to work. Whereas Hatton Village is the opposite direction. Acknowledging the long timeslot to cast my vote, I would still lobby for voters to be able to choose on the day to visit upto 3 local polling stations to cast their vote, depending on convenience on the day to increase the statistics of people voting. In fact, I did actually on my first year on living in Warwick accidentally real to Hatton village hall (and not the correct polling station on my voting card, which was actually Hatton Park village hall) and was, rightly, turned away. This was in the morning on the way to work. I then had to go out of my way, literally, in the evening to Hatton Park village hall. It seems to me logical that if we want voters to vote, adding some convenience by offering a choice of at least 2-3 local polling stations would increase the chances of people voting.

91	31/10/2023 14:46 PM ID: 230313359	Many voters who came to vote got very confused as to which station they need to go. There are 3 stations and it's not very clear out in large font as to which streets with house numbers should go to which station. For example Othello Ave and Bolingbroke and other such road are in all these stations, if the house numbers from which to which is in station A or station B or station C is not clearly listed. Hence anyone who is on these roads end up going to wrong stations and are again sent to another station. In some cases they end up going to all 3 to get to the right one. This could be avoided if the house numbers are also provided on the sheets that are provided at the entrance.

79	28/10/2023 10:59 AM ID: 230063720	The Hatton Arms pub I would prefer to be given the choice of, say, 3 local polling stations. Why? Because my travel or activities on polling days can be different each time, and sometimes another nearby polling station would be more convenient. For example, the Hatton Village Hall polling station (NOT Hatton Park) is actually more convenient for me as it is on my way to work. Whereas Hatton Village is the opposite direction. Acknowledging the long timeslot to cast my vote, I would still lobby for voters to be able to choose on the day to visit upto 3 local polling stations to cast their vote, depending on convenience on the day to increase the statistics of people voting. In fact, I did actually on my first year on living in Warwick accidentally real to Hatton village hall (and not the correct polling station on my voting card, which was actually Hatton Park village hall) and was, rightly, turned away. This was in the morning on the way to work. I then had to go out of my way, literally, in the evening to Hatton Park village hall. It seems to me logical that if we want voters to vote, adding some convenience by offering a choice of at least 2-3 local polling stations would increase the chances of people voting.

22	09/10/2023 09:26 AM ID: 228401574	Also large and has parking, bicycle racks etc
23	09/10/2023 11:12 AM ID: 228412413	It has some parking spaces and the Roadway has a dedicated public foot way to the location.
24	10/10/2023 10:42 AM ID: 228526221	Sherbourne church is an ideal substitute for the village hall which has now reverted to private ownership and no longer a polling station. The church has more than adequate parking, disabled access and facilities for polling staff including a toilet. I believe the church should be used more extensively for activities other than just religious functions.

32	19/10/2023 11:43 AM ID: 229437590	The current polling place is well located for Kingswood residents but it quite far away for the residents of Lapworth in the north of the Parish and there is no safe walking route. The Old School Hall on Tapster Lane is well located for the residents in Lapworth.

Because my travel or activities on polling days can be different each time, and sometimes another nearby polling station would be more convenient. For example, the Hatton Village Hall polling station (NOT Hatton Park) is actually more convenient for me as it is on my way to work. Whereas Hatton Village is the opposite direction. Acknowledging the long timeslot to cast my vote, I would still lobby for voters to be able to choose on the day to visit upto 3 local polling stations to cast their vote, depending on convenience on the day to increase the statistics of people voting. In fact, I did actually on my first year on living in Warwick accidentally real to Hatton village hall (and not the correct polling station on my voting card, which was actually Hatton Park village hall) and was, rightly,</p>

		turned away. This was in the morning on the way to work. I then had to go out of my way, literally, in the evening to Hatton Park village hall. It seems to me logical that if we want voters to vote, adding some convenience by offering a choice of at least 2-3 local polling stations would increase the chances of people voting.

48	02/11/2023 10:01 AM ID: 230488741	Space and location. Parking available at both
49	02/11/2023 11:39 AM ID: 230499403	There are several polling stations within Whitnash/South Leamington that are very close together and this causes confusion with the voters.
50	02/11/2023 17:05 PM ID: 230534555	Larger car park
51	02/11/2023 17:51 PM ID: 230537724	Would prevent school closure
52	03/11/2023 22:05 PM ID: 230612783	Convenience, clean and well organised
53	06/11/2023 17:56 PM ID: 230757484	It is easier to park there, especially for disabled drivers.
54	09/11/2023 08:58 AM ID: 230997532	More central given all the new development in Heathcote and good access.
55	09/11/2023 18:16 PM ID: 231068344	Easier access
56	10/11/2023 17:10 PM ID: 231146726	Accessible, good parking,
57	10/11/2023 17:52 PM ID: 231149461	It's nearby and doesn't interfere with schooling, like the previous alternatives.
58	10/11/2023 18:27 PM ID: 231151279	Budbrooke Community Centre is ideal but the church centre would be good if additional venues are needed - plenty of space and large car park.

23	16/10/2023 10:46 AM ID: 229030381	It is very important we keep the venue in Ashow - there are a number of elderly residents who don't drive and there are no public transport links to Stoneleigh therefore rely on the venue to vote.

9. Any further comments regarding the polling review?

27	23/10/2023 16:53 PM ID: 229707831	No
28	23/10/2023 21:12 PM ID: 229724984	There is an aging community in Ashow and the convenience of the Polling Station encourages more people to vote. If the polling station was to move to the next village it is highly probable that this demographic would not vote due to the added issue of having to transport to the next village.
29	24/10/2023 07:58 AM ID: 229736839	Ashow village, despite being located less than 2 miles from Kenilworth and the outskirts of Leamington is not served by any form of public transport. The nearest bus stop is a 1 mile walk and provides transport to Leamington and Kenilworth. If the polling station was to move to say, Stoneleigh, it would be impossible for residents to get there on any form of public transport, with it being a 2 or 3 mile walk along a road which has no pavements. Please bear this in mind and note that many of the residents in Ashow are significantly above retirement age and into their 70s and 80s
30	24/10/2023 16:18 PM ID: 229788326	No
31	24/10/2023 16:31 PM ID: 229789651	Please leave this polling station in place.

35	26/10/2023 20:50 PM ID: 229984331	If you move the venue please make sure it has parking (esp disabled) and a bus route.
36	27/10/2023 14:50 PM ID: 230027890	Yes - please could you stop using Telford Junior School as a polling station. There are so many other venues nearby (e.g. Lillington social club, bowls club, multiple churches etc). My kids have attended Telford infants, juniors and now NLS and all the holidays/inset days are different partly due to the polling, and it's really inconvenient for working parents. Many thanks :)
37	27/10/2023 17:15 PM ID: 230040407	Easy to access modern building well suited to use as polling station.

49	01/11/2023 11:39 AM ID: 230385996	Sherbourne and Wasperton should also vote at Barford. There is no need to have polling stations for very low populated villages in this day and age as so many with mobility issues use postal votes. A concerted effort must be made to save money.

51	01/11/2023 12:52 PM ID: 230394609	A well organised election. I really enjoyed working in this polling station which I have done for the last few elections together with lovely council staff. I hope that I can continue at this local.

53	01/11/2023 16:10 PM ID: 230421404	Schools should not be used unless the school can stay open, not right for children to miss any learning and inconvenient for parents and their work responsibilities
54	01/11/2023 16:10 PM ID: 230421430	The houses on the north side of West Street (even numbers) have to walk further to get to their own Polling Station. Logic would suggest that if you live in the street where there is a Polling Station that is the place to go and vote. We lost a few voters because they came to us in error. No-one could understand it.

61	02/11/2023 17:51 PM ID: 230537724	I have voted by post for a number of years which is very convenient and still allows voting in the event I am away on holiday on the voting day. More people perhaps should be encouraged to do the same.

9. Any further comments regarding the polling review?

		suffer from the problem that besets much of the United States with far too few polling stations located far too far from where many of their voters live. Keep the current arrangements.

It's a good place for a a voting station.	
64	04/11/2023 13:46 PM ID: 230628387	A convenient location for me, perhaps less so for people with mobility issues.	
65	04/11/2023 13:53 PM ID: 230628656	Due to postal voting.....question 4 is unanswerable so item 3 selected.	
66	05/11/2023 22:37 PM ID: 230686285	The polling stations in Kenilworth St Johns ward are all accessible but the allocation of polling districts to stations is not ideal. I was confused to find my polling station was classified as being in Park Hill in the consultation papers. Voters at the edge of polling districts often pass polling stations to reach their allocated station. For example, many in KFE will pass Beauchamp Court on the way to St Johns church, and KFD voters pass St Johns church on the way to the Baptist church. I appreciate that the various St John's polling stations are quite close to each other, Will the new Castle Farm Leisure Centre be available for a polling station after December as this would serve KFA well

68	07/11/2023 19:35 PM ID: 230859091	Dont think schools should be used as pupils have had to have too much time off from school over the last few years surely there are alternative places so you dont have to close schools for this	
69	07/11/2023 21:41 PM ID: 230867765	We should be able to vote online - you would get a far higher response rate too
