

Welcome to Spark 2024!

With a packed programme of presentations, workshops, and demonstrations throughout the day, we've included key bits of information on this handout to ensure you have a positive and enjoyable experience.

Download our FREE symposium app!

It's designed to help you *connect, celebrate, and collaborate* in the run-up to, during, and following the event.

Have a question?

Head over the Information Point on the ground floor (see map overleaf).

Tell us what you think

We want to know what worked well and what could be improve for Spark 2025. Please complete our short online feedback form:

Lunch is on us!

Your lunch voucher is in the same plastic wallet as your name badge. Please take it to Mookie's food stall during its opening hours.
