

Notice of Exemption to Key Decision Process
Procurement of contracts over £150,000
Report to Cabinet 10 April 2024

The Cabinet has been requested to consider a report that brings forward that seeks approval for procurement exercises in line with the Confidential appendix to the report.

It was not possible for the Council to meet the requirement for publishing this notice 28 days in advance of the decision being taken because of the revised timescales for procurement (to allow for Cabinet approval); had not been set when work on these exercises started. Due to the time constraints in delivering these areas the report cannot be delayed to the Cabinet in June 2024.

The procurement exercises are:

- (a) Vacant Property securing and cleaning/Clearing
- (b) Finance management solution
- (c) Fire doors and compartmentation surveys
- (d) Print Framework

At the time of publication of the report all the information is in the public domain for consideration. However subject to negotiations on the impact of the proposals on Warwick District Council, further papers published may be confidential due to them containing Information relating to the financial or business affairs of any particular person (including the authority holding that information).

The Chief Executive, Deputy Chief Executive, Head of Finance, Leader and Overview & Scrutiny Committee Chair have all agreed for the Cabinet to consider this report on 10 April 2024.
