

**Stratford-on-Avon and Warwick District Councils  
Joint Cabinet Forward Plan**

*(Incorporating Private Executive Meeting Notice and the Notice of Intention to make Key Decisions)*

**Published Date 30 April 2026**

**Edition Date: May 2026**

The Forward Plan is a list of all the items which will be considered by the Joint Cabinet Committee up to the next twelve months.

Local authorities are required by law to publish a notice listing the key executive decisions to be taken by the appropriate decision maker at least 28 clear days before these decisions are taken, and this Work Programme satisfies those requirements. Whilst this document may provide details of known decisions for the following month, where details of decisions to be made after this period are known, they are provided for information.

Whilst the majority of the Joint Cabinet's business at the meetings listed in this Plan will be open to the public and media organisations to attend, there may be some business to be considered that contains, for example, confidential, commercially sensitive or personal information. Should this become apparent at the meeting the relevant part of the meeting will only be held in private on the passing of a resolution that describes the relevant information.

If you would like to make representations or comments on any of the topics listed below, including the confidentiality of any document, you can contact the officer as detailed in the Plan.
