

Notice of Exemption to Key Decision Process
Potential strategic land acquisition in Leamington Spa

The Council has become aware of an opportunity to make a strategic land acquisition in Leamington and authority is required to negotiate to secure this site.

It was not possible for the Council to meet the requirement for publishing this notice 28 days in advance of the decision being taken, because at that time the Council was not aware of the potential for the acquisition of this site. The Council was unable to publish this notice sooner than today 12 March 2013 because the decision to progress the report to the Executive was not taken until this morning.

The Chief Executive, Deputy Chief Executives, Head of Finance, Group Leaders of the Council and Scrutiny Chairmen have all agreed for the Executive consider a report at Executive on 13 March 2013.

It is considered that this report will be confidential by virtue of the information relating to the financial or business affairs of any particular person (including the authority holding that information).
